Islamia College University Peshawar

Oct 2020 – Jul 2024 | Peshawar, Pakistan

Intermediate - (FSC Pre-Engineering),

Hadaf College Peshawar

Aug 2018 – Apr 2020 | Peshawar, Pakistan

Projects

Precision Gems and Minerals

Global gemstone marketplace offering authentic, high-quality gems like ruby, sapphire, and emerald. With live inventory and secure payments, we deliver brilliance, trust, and excellence in every purchase.

Wizalot

Transforms the e-commerce landscape, integrating AI-powered Search, Affiliate Marketing, Store Integration, Auctions, and Advertisements on a single platform.

Carthage Travel (carthagetravel.com)

Developed "Carthage Travel", a travel and tourism website enabling users to book holiday packages, activities, and hotel stays, with visa application and flight booking modules for an end-to-end booking process. Designed a responsive interface with dynamic search and filtering for hotels, activities, and flights.

SourcingBytes (sourcingbytes.com)

Developed "SourcingBytes", a sourcing platform helping Amazon and e-commerce sellers find the best bulk products for their stores. Built product listing, catalog, and filtering features to help sellers quickly source suitable products, with a scalable interface tailored for Amazon FBA and general e-commerce sellers.
